

## AP-VINYL MAX

### DESCRIPTION

AP-Vinyl Max is designed as a strong, natural and safe fungicide. It contains a combinational formula of natural and fungicidal components for maximum effectiveness. The product is of multipurpose use, and will remove mildew, mineral deposits, cleans and disinfects all surfaces, and specifically vinyl surfaces.

### USES OF THE PRODUCT

AP- Vinyl Max is used to clean multiple surfaces, specifically vinyl surfaces to keep them clean and disinfected. The product cleans and sanitizes and minimizes potential contamination from pathogenic microorganisms on surfaces and reduces cross-contamination of working areas. It controls & eliminates Salmonella, Staphylococcus, Trichophyton, and other pathogen micro-organisms, while tackling mildew and mineral deposits with ease.

### PRECAUTIONS AND RECOMMENDATIONS

- AP- Vinyl Max is specially designed for industrial use; however, it is also safe for use in the home to disinfect and clean all types of surfaces.
- However, the product is only safe if a person follows directions for use and heeds precautions.
- The product is for normal use (not delicate); however, it is recommended to use plastic gloves and glasses for prolonged handling.
- Do not use/spray AP- Vinyl Max on dishes that will be used for food. The product is not intended for use on food surfaces.
- Do not ingest, if swallowed do not induce vomiting, seek medical attention.
- Avoid prolonged direct contact with the skin and especially with the eyes.
- In case of prolonged exposure to the skin, wash with plenty of water to avoid irritation. It helps to wash the substance away with soap and water if this occurs.

- If the eyes are affected/irritated, wash with plenty of water for at least 15 minutes. If eye irritation persists, consult a doctor.
- Use AP- Vinyl Max in a well-ventilated area and keep out of reach of children and pets.
- Do not mix AP- Vinyl Max with other cleaning chemicals.
- AP- Vinyl Max is not considered toxic, ONLY, by ingestion.

## USAGE INSTRUCTIONS

- Read the AP- Vinyl Max's instructions for use.
- For industrial use, use spray machines or use the product with water in a power washer to cover and clean as much surface as possible.
- The surface should remain wet the whole time to ensure the product is effective.
- Rinse with water if required to remove waste.
- For home use, pre-clean the surface to be treated.
- Spray the product and wipe, no rinse needed.
- Cleaning removes most germs, dirt, and impurities from surfaces. If necessary, rinse with water.

## INGREDIENTS

ChemicalCas No.

- Tenso-Active Blend8001-54-5
- Quaternary Blend8001-54-5
- Inert Ingredients66455-14-9

## PHYSICAL AND CHEMICAL DETAILS

**Appearance and smell** \_\_\_\_\_ *non-viscous liquid, light blue color with alcohol odor*  
**Boiling point** \_\_\_\_\_ *> 82 °C*  
**Solubility in water** \_\_\_\_\_ *total soluble*  
**pH** \_\_\_\_\_ *4 - 6*  
**Density** \_\_\_\_\_ *0.79 - 0.99 g/mL*  
**Nonflammable product/Biodegradable product**
